

Manifold block
CPX-M-AB-4-M12X2-5POL
Part number: 549367

 [General operating condition](#)

Data sheet

Feature	Value
Product weight	112 g
Degree of protection	IP65
Corrosion resistance class CRC	0 - No corrosion stress
LABS (PWIS) conformity	VDMA24364-B2-L
Note on materials	RoHS-compliant
Material housing	Die-cast aluminium
Additional functions	Screening additionally on metal thread
Electrical connection	4x socket 5-pin M12
